

VIGILANTE JUSTICE

SOUTH AFRICA

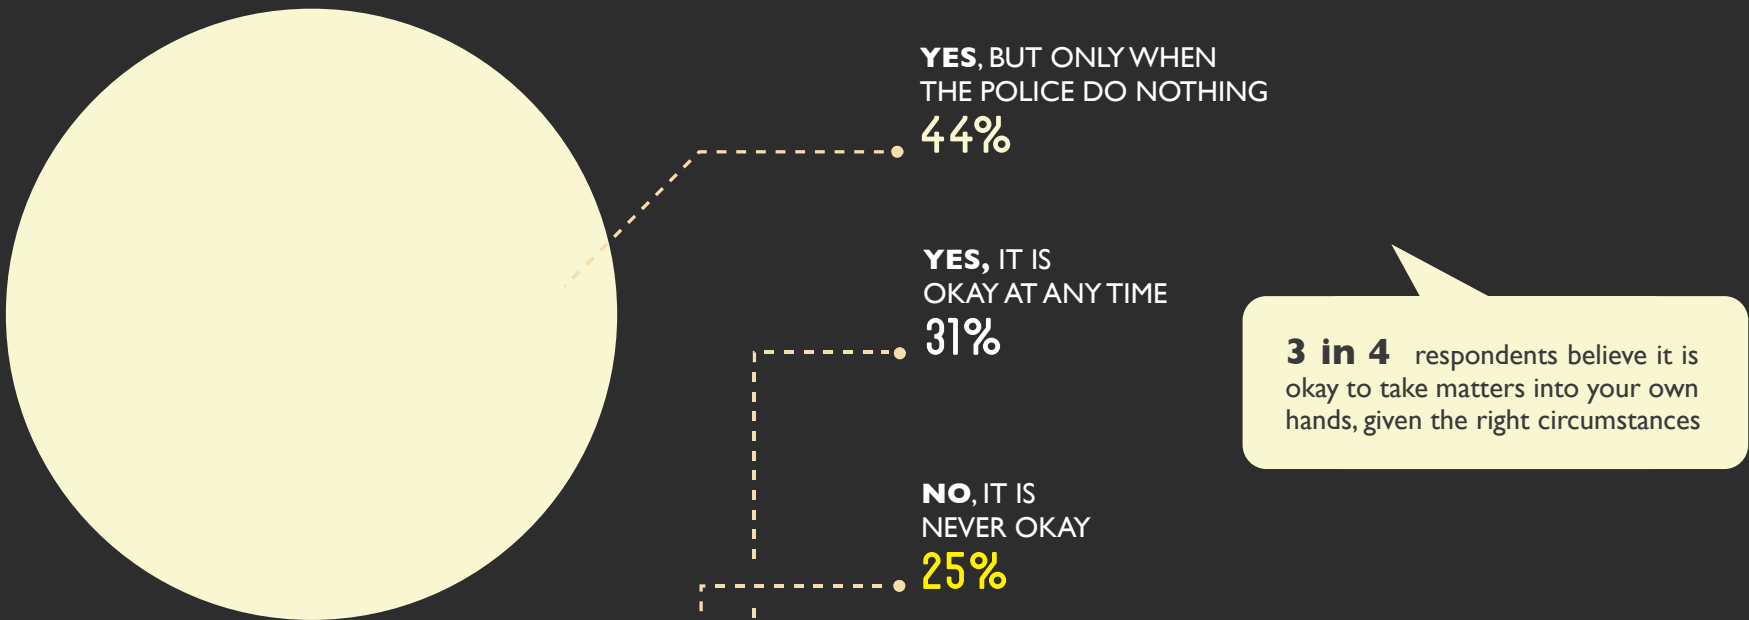

Total respondents: 4768. Survey on police conducted from 18 to 21 January 2014. Survey on vigilantism conducted from 16 to 25 April 2014

South Africa suffers from a high incidence of violent crime, and in many communities, people who suffer the worst of these crimes sometimes choose to take the law into their own hands, rather than wait for police they don't trust, or a judicial system they have little faith in.
