Portfolio

Web Interface Design

I am really comfortable with website design, and enjoy its ever-changing nature.

VIEW WORK

Data Visualization

Summaries & diagrams are the best!
I like abstract visualizations that are beautiful, but each line has meaning.

VIEW WORK

Interface Design & Icons

Interface design is my passion & my future. Simplifying complex digital products is awesome & necessary.

VIEW WORK

Mixed Graphic Design

I made this portfolio template 3 years ago, and included it because I still like it.

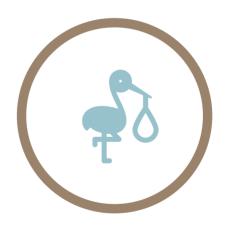

VIEW WORK

Process

If you like gnarly details, feel free to endure my explanation of how I think and do things.

VIEW WORK

Curriculum Vitae

No explanation needed.
